PERSISTENT ORGANIC POLLUTANTS (POPS) - PRODUCT DECLARATION

Part Number: M20-1160046
Product Description: Female Receptacle 22-30 AWG Straight Crimp Contact, reeled, Tin

Product Page: https://www.harwin.com/products/M20-1160046
Statement:

Harwin plc confirms that the product identified above complies with the applicable restrictions and prohibitions relating to Persistent Organic Pollutants (POPs) under the legislation and international requirements referenced below:

- Stockholm Convention on Persistent Organic Pollutants, as amended;
- Regulation (EU) 2019/1021 on persistent organic pollutants, as amended, including applicable delegated and implementing acts;
- Regulation (EU) 2019/1021 on persistent organic pollutants, as it forms part of assimilated law in Great Britain, as amended; and
- The Persistent Organic Pollutants Regulations 2007 (SI 2007/3106), as amended.

No POP substance subject to these requirements is known to be intentionally added to the identified product, and no such substance is known to be present above an applicable regulatory concentration limit. This declaration does not imply routine analytical testing.
