EU REACH AND UK REACH - PRODUCT COMPLIANCE DECLARATION (Candidate List SVHCs, Authorisation and Restrictions)

EU REACH and UK REACH SVHC Product Declaration

This declaration confirms that the product listed below complies with Regulation (EC) No 1907/2006 of the European Parliament and of the Council, as amended, and with UK REACH as it applies in Great Britain.

This declaration is valid as of the ECHA Candidate List update of 4 February 2026, comprising 253 entries, and the UK REACH Candidate List current at the date of issue.

Part Number:	M80-MC20668M1-0450L
Product Description:	3+3 Pos. Male Plug DIL 24 AWG Straight Cable Assembly, 450mm, single-end. Jackscrews
Product Page:	https://www.harwin.com/products/M80-MC20668M1-0450L
REACH Statement:	Contains Substances of Very High Concern (SVHCs) above the threshold of 0.1% w/w as per the latest update of the Candidate List published by the European Chemicals Agency (ECHA) and, for Great Britain, the UK REACH Candidate List published by the Health and Safety Executive (HSE).

SVHCs (Substances of Very High Concern) Information

Where an SVHC is present in the product above 0.1% w/w, the following information is provided:

SVHC Name:	Lead
CAS No.	7439-92-1
Article Name:	Contact Shell

For product material composition information (including, where available, substance location information), please refer to the Material Composition statement on the product web page.

Safe use statement: No special safe-use measures are required for normal intended use as an electronic component. Avoid machining, grinding or burning the product. At end of life, dispose of it in accordance with applicable waste legislation and the requirements applying to the finished equipment into which it is incorporated.

The current ECHA list is available here: EU REACH Candidate List
The current UK REACH list is available here: UK REACH Candidate List
